**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 18 You shall reside in a residential reentry center for a period of up to 90 days. This placement may include a prerelease component, day reporting, and home confinement (with or without electronic monitoring, but not to include GPS) at the directions of the CCM and USPO. You shall abide by the rules and requirements of the facility. You shall remain at the facility until discharged by the Court.

**CAUSE**

Dustin Rockstrom violated conditions of probation by consuming marijuana on or about January 19, 2008, in violation of standard condition #7, failing to appear for a substance abuse evaluation on January 7 and January 17, 2008, failing to appear for a random drug urinalysis test on January 22, 2008, and failing to respond to a directive given him by the undersigned officer.

On January 24, 2008, Dustin Rockstrom reported to the U.S. Probation Office after failing to appear for phase urine testing on January 22, 2008. The offender submitted a urine specimen which revealed presumptive positive results for marijuana. Initially, the offender denied use when questioned by U.S. probation officer, Shawn Kennicutt. He was instructed to contact the undersigned on January 25, 2008. The offender failed to contact the undersigned as instructed. On January 28, 2008, the offender reported to the office as directed. At that time, he admitted to consuming marijuana while at a gathering with several friends.

**As an intermediate sanction**: Dustin Rockstrom was directed to abstain from illicit substances and to participate in a substance abuse evaluation and follow all recommendations. Urinalysis testing will continue throughout probation. Dustin Rockstrom was asked whether he would waive his right to a hearing and agree to the modification as previously described. As indicated by the enclosed waiver of hearing to modify conditions of probation form, Mr. Rockstrom has agreed to the proposed modification requiring him to participate in a residential reentry program.
